1515 CHERRY STREET, PHILADELPHIA, PA 19102

January 11, 2015

Central Philadelphia Monthly Meeting heard about ReleasingMinistry.org during the fall 2014 LifeCalls ministry annual report and again on January 11, 2015. We minute support for the ReleasingMinistry.org project, believing that it will strengthen the Religious Society of Friends.

We are grateful for CPMM's LifeCalls ministry's Spiritual Accountability Group which has care of this project within the ministry of Viv Hawkins. We thank Philadelphia Quarterly Meeting for publicizing ReleasingMinistry.org among its monthly meetings and considering a minute of support.

We invite friends to support ReleasingMinistry.org by contributing to the project. CPMM receives tax-deductible contributions designated to LifeCalls Ministry.
